

**Sick of Spending Too Much Money?**

**Tired of Getting the Runaround?**

**No Time to Find Trucks Who Want Your Load?**

**Just Want it Done Without the Hassle?**

***We'll take care of it!***

## **What can LeanCor do for you?**

- We will move your freight from point A to point B...hassle free!!
- With access to thousands of carriers, we are able to provide competitive pricing (with your best interest in mind).
- With our online tools you are able to track your shipment from the time it picks up until the time it delivers.
- We will always look for the best mode of transportation for an opportunity to reduce your costs.
- Do you have a frozen or refrigerated load? Don't worry, we are temperature controlled experts!
- Only have a couple of pallets to ship? No problem, we handle all types of LTL shipments!
