Florence, KY – September 20, 2011 – LeanCor Supply Chain Group has been selected by *SupplyChainBrain* as a 2011 “Great Supply Chain Partner.”

*SupplyChainBrain*'s 9<sup>th</sup> annual list of 100 “Great Supply Chain Partners” is the result of a six-month on-line poll in which supply chain professionals were asked to nominate vendors and service providers whose solutions have made a significant impact on their company's efficiency, customer service and overall supply chain performance.

Nominations were received for hundreds of trading partners in every aspect of supply chain management. The 2011 July/August issue of *SupplyChainBrain* magazine includes the select list of companies who have so impressed our readers that they deserve to be singled out and to be held up as examples for others in the industry.
